**RE: *United States v. Middendorf, 18-cr-00036***

Dear AUSAs Kramer, Greenwood, and Mermelstein:

In our letter of May 9, 2018, we requested that the government produce all information and materials that are required to be disclosed pursuant to Federal Rule of Evidence 16 and the Fifth and Sixth Amendments to the United States Constitution, as discussed in *Brady*, *Giglio*, and the other authorities cited in our letter. We identified specifically the text messages and other contents of Mr. Wada's cell phone, which were the subject of a search and seizure warrant, as among the documents not yet produced to Mr. Wada. We asked that you produce those materials promptly, or confirm that nothing was seized pursuant to the warrant.

The production accompanying your letter dated May 9, 2018 contained neither materials seized from Mr. Wada's cell phone, nor a confirmation that such materials do not exist. As you know, the deadline to file any additional motions, including motions to compel discovery, is next week. Accordingly, we appreciate your prompt attention to this request.

Sincerely,

**BROWN RUDNICK LLP**
